NICK PUPICH

Director of Controls and Specialized Solutions at [Connelly Electric](#)

Prior to his current role, Nick worked for 16 years as an electrician with IBEW Local 134. During that time, he installed more than 300 EV chargers—level 1, 2, and 3—in industrial, commercial, residential, health care and municipal settings. He's certified by the International Code Council (ICC) and has experience with over 12 EV charging stations manufacturers.
