# Why Fleets Choose Propane Autogas

Total Cost-of-Ownership

Lower Emissions

Reduced Noise

Less Maintenance -

Increased Uptime

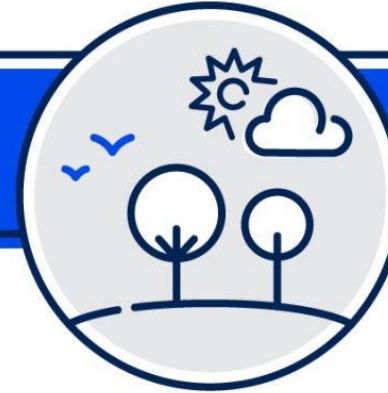

Improve Corporate Image

Employee Morale/Driver

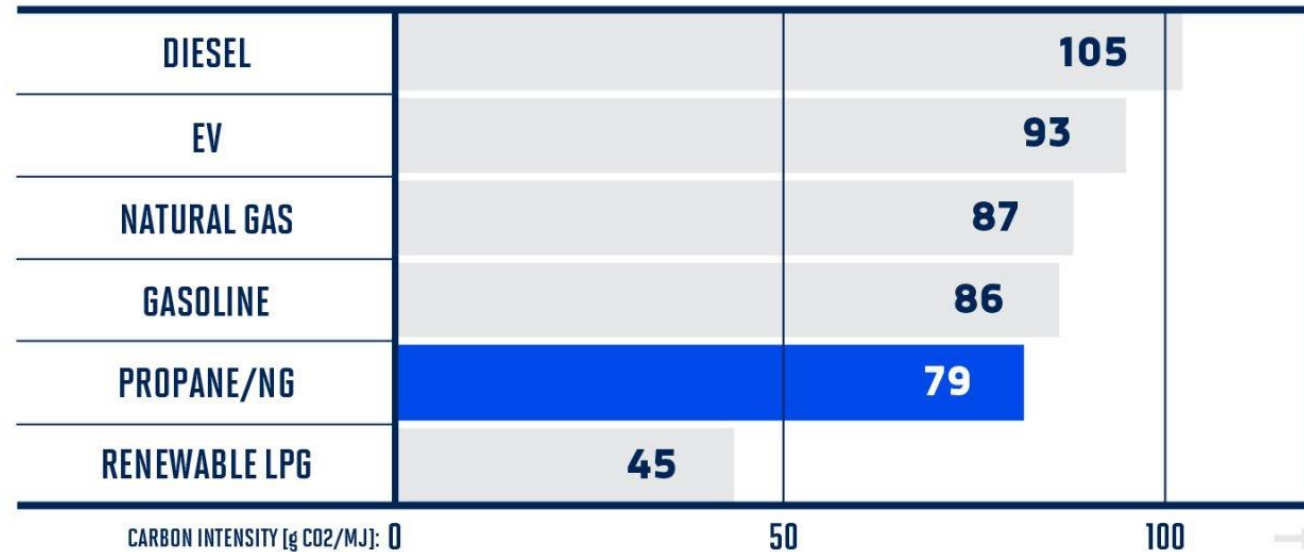

Retention

# WELL TO WHEEL EMISSIONS

## CARBON INTENSITY

Propane's carbon footprint is smaller than almost any alternative.

# School Buses

**Some of the largest propane  
powered school bus fleets in  
America are in IL:**

**Township CSD211**

**Huntley CSD158**

**Cook Illinois**

# Paratransit

InterPark 

**TRUE**  
ALTERNATIVE FUEL SYSTEMS
